GÉNESIS **G11** COMMUNITY

Welcome to our **G11 Plan**, the compensation plan that combines artificial intelligence and blockchain technology to bring transparency, security, and rewards to all active members. By joining GÉNESIS, you will have access to a fair and equitable system that rewards members for their participation and contribution. Artificial Intelligence and blockchain technology allow us to accurately monitor and verify each member's benefits, bonuses, and results, ensuring that rewards are accurately distributed. In addition, with our **G11 Plan**, you can enjoy additional bonuses and exclusive rewards that recognize and reward your dedication and effort in expanding our community.

ACTIVELY PARTICIPATE IN OUR G11 PLAN, AND START BUILDING YOUR FUTURE WITH INNOVATIVE TECHNOLOGY AND REWARDS!

GÉNESIS Ai CHAT

Chat with our Artificial Intelligence, which helps you with a wide variety of tasks and texts online, allowing you to answer questions and generate text naturally, making your life even easier.

- Use it as a chatbot to answer user questions in an automated way.
- Use it to generate descriptions, stories, summaries, and other types of text based on an entry or prompt.
- Use it to complete or correct sentences or incomplete text, which can be useful in word processing and grammar correction applications.

Among many other functions.

GÉNESIS **Ai** SOCIAL NETWORK

A social network with artificial intelligence can connect you, and share things with friends and people you know within the universe of GÉNESIS. You can post photos, videos, and updates about what you're doing, as well as see and react to what your friends post. You can also join groups of people with similar interests and participate in online discussions. It's a fun and easy way to stay in touch with the important people in your life and meet new people.

WITH THE COMBINATION OF THE POWER OF BLOCKCHAIN AND THE WEB3 AUTONOMY, YOU WILL BE ABLE TO PERFORM MORE ADVANCED ACTIONS, SUCH AS SHARING, SELLING, OR BUYING WITH TOKENS, CREATING YOUR OWN MARKETPLACE, PARTICIPATING IN SWEEPSTAKES AND CONTESTS TO WIN MORE TOKENS, AND MOST IMPORTANTLY, BEING REWARDED FOR YOUR ACTIONS WITHIN THE SOCIAL NETWORK.

A futuristic, glowing purple and blue digital interface. In the center, there is a 3D rendering of a graduation cap (mortarboard) with a tassel. To the left, there are glowing neon outlines of a person sitting at a desk with a computer, and a large circular arrow pointing right. The background is filled with vertical lines of light and a grid pattern, suggesting a digital or data environment.

GÉNESIS **Ai** ACADEMY

OUR ACADEMY IS AN ONLINE LEARNING SPACE THAT USES ARTIFICIAL INTELLIGENCE TO PERSONALIZE AND ENHANCE THE LEARNING EXPERIENCE FOR EACH STUDENT. HERE ARE THREE KEY FEATURES:

PERSONALIZATION: The **Ai** helps the platform to adapt to the individual needs of each student, providing recommendations on which courses to take, what topics to deepen, and how to learn better.

REAL-TIME INTERACTION: **Ai** can also provide real-time feedback and help students to solve problems and answer questions during the learning process.

DATA ANALYSIS: The **Ai** can also help to analyze learning data and usage patterns, identify areas for improvement and optimize the overall learning experience.

IN SHORT, Ai ACADEMY PROVIDES A MORE PERSONALIZED, INTERACTIVE, AND EFFECTIVE LEARNING EXPERIENCE.
